CAPABILITIES STATEMENT

WE ARE

Critical Response Protection Group LLC, your trusted source for comprehensive security solutions. Established in 2014 with a mission to prioritize professionalism, integrity, and character, CRPG has become a beacon of security excellence in Pennsylvania, Delaware and Florida.

At CRPG, we understand the importance of feeling safe and secure in every aspect of life. That's why we're dedicated to providing top-tier Investigation, Security, and Protective Services tailored to meet the unique needs of our diverse clientele. We are a female veteran, minority, serviced connected, disabled veteran, owned and operated business. From dirty US camouflage uniforms to sleek clean business suits. Our commitment to excellence is ingrained in our company culture; we strive to exceed expectations in every endeavor. Our journey began in Bucks County, Pennsylvania, where our headquarters proudly stands as a testament to our dedication to continually serving the communities we LIVE in. We've expanded our operations, opening offices in Allentown PA, Harrisburg PA, Tampa FL & Delaware. Our reach has extended to safeguard individuals and businesses across state lines. We stand on professionalism, ethics, proper training, and supporting our community. That's why we are active members of the following professional Associations; Pennsylvania Association of Licensed Investigators (PALI), American Society for Industrial Security (ASIS), International Association of Close Protection Professionals (IACPP), Board of Executive Protection Professionals (BEPP).

When you choose CRPG, you're choosing more than just a security provider—you're choosing a partner committed to your safety and peace of mind. Explore our website to learn more about our services, team, and values. Together, let's build a safer, more secure future.

CORE COMPETENCIES

At CRPG, we specialize in what keeps you and your organization safe. Our Core Competencies highlight our world-class deliverables. We utilize the latest technology for accountability and tracking of personnel on various work sites. Reporting in real time, this is the Way, to always have "EYES ON" the situation.
